Dear Course Provider:

Thank you for your submission to the Quality Assurance Committee. Your workshop/course(s) submission has been reviewed and has qualified for Continuing Education Units (CEUs) under the Quality Assurance Programme.

Course Name	CEUs	Category
<i>AquaStrech™ Foundations</i>	4	A

Please note the following statement from the QA Committee:

The approval of courses/workshops and related activities for CEUs by the Quality Assurance Committee does not represent an endorsement of a relationship between these courses and scope of practice. Each therapist is expected to perform and operate their practice within the parameters of ethical and responsible means outlined in the Standards of Practice, Code of Ethics, RHPA, MTA and Regulations. The choice of course and/or direction of professional development are the responsibility of the individual therapist. The College and Quality Assurance Committee encourage therapists to evaluate their choice of course/workshops and related activities in terms of their benefit to the ongoing quality improvement of their practice. The approval of the course is valid for three (3) years.

Please note the College does not endorse any of the programme/s approved for CEUs. Courses are assessed based on the written submissions of the course provider. The approval of a course for Continuing Education Units (CEUs) is subject to change/revocation without notice depending on the policies set by the Registration Services or the Quality Assurance Committees. Furthermore, the approval of CEU courses is valid for three years (3) for as long as the content remains the same.

If you have any further questions or if the course changes in any way, please contact me at 1-800-465-1933 or 416-489-2626 ext. 168

Yours truly,

Dorthia Patten
